When your child attends **Sunday school**, our teachers will have age appropriate Bible lessons geared for their eager young minds. Our teachers try very hard to meet the child at his or her age level. All our teachers plan on having fun activities including arts, crafts, music, storytelling and skits so that your children will enjoy the class times.

3. Make friends

If you want your children to make more friends, **Sunday school** is a great place to meet them! As parents, you too will have opportunities to make new friends that share a common interest in raising kids with a religious background. As we all learn and play together each week, everyone forms healthy friendships with families who have the same priorities as you.

4. Form Good Habits

Taking kids to church regularly when they're young, teaches them a good habit of church attendance. Hopefully, they will always be better from the experiences and knowledge they gained in class.
