

**CHA VISION SPEAK OUT QUESTIONS
FOR CONGREGATION**

Developing a Vision and Strategic Action Plan for CHA

Timeframe: July 7 – August 12, 2019

GOAL: Hold a Vision Speak Out with congregation to Kick-off creating a Vision & Strategic Action Plan for CHA. Let's raise our voices in unison and work on key actions together. Congregation is being asked 4 questions through various methods – focus groups, charrette (large group on lanai), self completed survey, one-on-one interviews, phone interviews, email or mail. Goal is to reach 75-100% of members.

- 1. In 1-5 words, what do you love the most about our Church of Holy Apostles?** (If your response is a 'person', what quality do you admire about them)

- 2. SUGGESTION BOX: What changes would you like to see at Holy Apostles that we can try right now? (Complete in less than 1 year) Write 1-2 bright ideas.**
(Need help? Is there something new you'd like to see implemented? What would you change in how we welcome, worship, pray, sing praises, fellowship, communicate, learn, get to know each other, etc. Is there anything we could do that might inspire friends, family, or a newcomer to attend? What have you seen elsewhere that we could try?)

- 3. Being God centered – what will Holy Apostles look like in 10 years? IMAGINE Holy Apostles in 2030! Draw and/or caption your vision ideas.**
(Need help? Read list of Vision questions on this back page)

- 4. Pretend a generous donor just gave Holy Apostles a sizable donation. How would YOU spend this money to further our work in Christ?**
(Need help? Can you think of any new projects, events, programs, public relation efforts, communications, existing/new ministry, etc.? How could we expand our evangelism efforts? Could be used onsite or offsite.)

Dream Big; Close your eyes for a moment – what do you see?

- What will our entrance, grounds and parking lot look like?
- How will the inside of our Sanctuary look?
- Who will be worshipping in our Sanctuary?
- How will our Lanai be used?
- How will our Cook Room be used?
- How will our Parish Hall/kitchen be used (currently Joyland Preschool)?
- What *current* ministries in our community will we continue (draw outside the square)?
- What *new* ministries in our community will we engage in (draw outside the square)?
- How will we serve University of Hawaii students?
- What will we be doing to attract families with young children to our sanctuary/services?
- Using your out-of-the-box thinking and imagination – what else do you see?
